Re: Hazardous Waste Compliance Inspection - PEPL - OLPE, 985 Road 90, Lyon County,
Olpe, EPA I.D.: KSD 984 972 737

Dear Mr. Estonpinal:

I received your letter dated May 28, 2002, forwarding a copy of your April 23, 2002 letter that documented the actions taken to correct the outstanding violations noted on the Notice of Non-Compliance (NON-C) issued at the close of hazardous waste compliance inspection conducted at your facility on November 26, 2001. Based upon the information in your letter, violation number 1 has been corrected. In addition, violation number 2 has been deleted based on my correspondence, on this date, with John Mitchell, Section Chief of the Waste Compliance, Enforcement & Policy Section. Therefore, all violations cited as a result of the inspection are considered corrected.

Please be aware that a report of this inspection is submitted to the Bureau of Waste Management (BWM) in Topeka for review. Each report is reviewed and an evaluation is made to determine if additional enforcement is warranted. A penalty may be issued by BWM for violations identified during this inspection.

Your cooperation with the waste management program is appreciated. If you have any questions regarding the inspection or the above information, please call me at 620/431-2390.

Sincerely,

Victoria S. O'Brien, CHMM
Environmental Technician
Bureau of Environmental Field Services
